DMP Titrino for Salt and Acidity Analysis in Foodstuff

DMP TITRINO 785 with PC

DMP TITRINO 785 with Keyboard

Metrohm s 785 DMP Titrino is a versatile titrator offering you outstanding features:

- Perfect for fast, accurate, simple analysis of salt and /or acidities of food samples such as sauces, cheese, flavours and many more
- LCD screen for real-time curves
- Memory card as a storage medium for additional methods
- PC keyboard and/or barcode reader
- User name list
- Monitoring of validation, service and calibration intervals
- Limit control of sample size and results
- System test report
- Min / max evaluation

The 785 combines the functionality and flexibility with comfortable operator guidance on a LCD screen, comprehensive GLP functions and the possibility to connect keyboard and/or barcode reader.

MEP Instruments is sole distributor of leading names in sample analysis technology in Australia and New Zealand. The joint venture company formed by Metrohm Switzerland and Anton Paar Austria provides comprehensive service, support and training for the whole product line of Metrohm, Anton Paar, Autolab, Camag, Ismatec, Physica and Retsch in Australia and New Zealand. Contact MEP in Australia: MEP Instruments Pty Ltd (Australia) Unit 5, 112-118 Talavera Rd, North Ryde, NSW 2113 Tel 02 9878 6900 Fax
